

# Celebration of World Food Day

The world food day was celebrated by Krishi Vigyan Kendra, Boudh on Dt. 16.10.2018 at village:- Gaundisara of Boudh district, where more than 40 farmers and farm women have participated in the programme. The Senior Scientist and Head, Dr. Sutanu Kumar Satapathy, alongwith other scientist (Agronomy, Plant Protection & Ag. Extn) and Farm Manager of KVK, Boudh were also present and sensitized to the participants regarding importance of world food day.

The Sr. Scientist and Head have welcome the participants and in his introductory remark he analyses the theme of this year for World Food Day by FAO and highlighted about latest innovative agricultural technologies to address the problem in the district & emphasised on the increase in production and productivity of pulses, oilseeds and other cash crops in the changing scenario of climate resilience. The Scientist of KVK's stressed upon adoption of integrated farming system in agriculture for making our district self-dependant as well as emphasised on soil testing and to double the farmer's income by 2022. The meeting ended with vote of thanks by Scientist (Plant Protection).
